

Medical Disclaimer – Vitality Balance

Last updated: April 2026

1. General Information

The information provided on this website is for general informational and educational purposes only. Vitality Balance provides wellness services such as reflexology and vitamin injections intended to support general wellbeing. The information on this website should not be interpreted as medical advice, diagnosis, or treatment.

Always seek advice from your GP or qualified healthcare professional regarding medical conditions or health concerns.

2. Not a Substitute for Medical Advice

The content on this website is not intended to replace professional medical advice or treatment. You should not rely solely on information provided on this website when making decisions about your health. If you have a medical condition or symptoms that concern you, you should consult your doctor or other qualified healthcare professional.

3. Individual Results May Vary

Responses to wellness services and vitamin treatments vary between individuals. While some people may experience noticeable benefits, outcomes cannot be guaranteed. Vitality Balance does not make claims that treatments will cure, diagnose, or prevent any medical condition.

4. Suitability for Treatment

Certain treatments may not be suitable for everyone.

Before receiving any treatment, clients may be required to complete health questionnaires and consent forms. Vitality Balance reserves the right to refuse treatment where it is considered unsafe or inappropriate.

5. Health Information

Any health-related information provided through the website or during consultations must be accurate and complete to the best of your knowledge.

Providing incomplete or inaccurate health information may affect the suitability or safety of treatments.

6. Emergency Situations

The services provided by Vitality Balance are not intended for medical emergencies.

If you believe you are experiencing a medical emergency, you should seek immediate medical assistance by contacting emergency services or your GP.

7. External Links

This website may contain links to external websites for informational purposes.

Vitality Balance is not responsible for the content, accuracy, or policies of third-party websites.
